

### **ST. TERESA'S C.Y.M.S.**

A group of old members of St. Teresa's Catholic Young Men's Society met for the first time after the war at the Society's premises on Saturday, March 30th and after an inspiring address by the Parish Priest, Rev. Fr. Granelli, decided to reorganize the Society as the English speaking section of Catholic Action and to open the membership to all English speaking Catholics Men and Young Men. The next general meeting will take place soon after Easter when further details will be discussed. St. Teresa's C.Y.M.S. had a brilliant history of achievements in its pre-war days and we feel certain that under the experienced leadership of Fr. Granelli will now be able to contribute much to the work of Catholic Action in the Colony.
