

# Poor Girls Club

The site was the donation of a group of Chinese gentlemen in Hong Kong who have become interested in various clubs in the Colony for poor children.

The Holy Spirit School children have provided, in addition, the cloth from which the Club girls were fitted with blue uniforms. The Club girls proudly wear these every Sunday

inspiring. It is hoped that the example given by its leaders will challenge the zeal of other Catholics who will be prompted to offer their spare time and services.

**For the Poor Girls Club on Kin Doo Road is simply another effort made that the Kingdom of God be spread among God's poor in Hong Kong.**
